INTERVIEW SUMMARY

An interview was held with Examiner Ngyuen on May 16, 2008 regarding the status of this application. The examiner stated that a Notice of Panel decision was mailed on March 14, 2008. The decision re-opened prosecution.

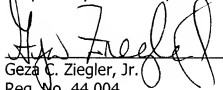

The examiner stated that a new, non-final office action would be issued and that no action was required by applicant at this time.

The chronology of events from the filing of the Notice of Appeal and Request for Pre-Appeal Conference Review on October 9, 2007 should be noted.

1. On October 9, 2007, a Notice of Appeal and Request for Pre-Appeal Conference Review was filed with respect to the final Office Action issued on June 6, 2007.

2. On November 28, 2007, a final Office Action was mailed, subsequent to the filing of the Notice of Appeal and Request for Pre-Appeal Conference Review, **but** prior to the receipt of a decision on the Request for Pre-Appeal Conference Review.
3. On January 29, 2008, within two months of the mailing date of the final Office Action mailed November 28, 2007, Applicant filed an after final response to the Office Action mailed November 28, 2007.
4. On March 10, 2008 a panel conference was held with respect to the Request for Pre-Appeal Conference Review filed on October 9, 2007.
5. On March 14, 2008, the Notice of Panel Decision from Pre-Appeal Brief Review was mailed. This decision re-opened prosecution and indicates that a new office action will be mailed and that no further action is required by applicant at this time.
6. In the interview held on May 16, 2008, the examiner indicates that the office action mailed November 28, 2007 is moot and that no response needs to be filed as a new, non-final Office Action will be issued pursuant to the notice of panel decision from pre-appeal brief review.
